

Annual Report of Parijnan Vidyalay, Kotekar – Someshwar 2023-2024

Honourable Chief Guest of the Day Sri Vishwas Pai, Hon. Secretary Saraswat Education Society Sri. Mahesh. L Bondal, members of the management, Heads of the sister institutions coming under Saraswat Education Society, invitees, Members of AHS old students association, Parents, Teachers, and my dear students, Good morning and a very warm welcome to you all.

I have great pleasure in presenting to you the Annual Report of Parijnan Vidyalay for the Academic Year 2023-2024. This year has been very exciting and challenging one for us, with the cbse affiliation work as well as the inauguration of the new block. Our teachers are doing their best in bridging the gap of learning, in preparing our students for the new Education Policy 2020. With great contentment I can affirm that we have been able to bring our children to the rhythm of learning and make learning Joyful. All praise to the dedication and hard work of the teachers and cooperation from our dear Parents.

Apart from preparing the children for academic demands, we give emphasis in preparing our children to face the challenges of the competitive world. It is a matter of great significance to us that the students who pass out from our School be well disciplined and carry forward the values they have inherited and excelled in life, being role models in the society.

We strive for excellence in everything we do. Our learning environment allows every student to prosper as individuals. Excellence is our expectation too. Our priority is not just subjects, instead we aim at a Holistic education focusing on the overall development of our students. Equal opportunity is given to every student and our inclusive environment supports each one of them We also value our relationships; we are closely connected to our staff, students, parents and all our stake holders and our well wishers.

Parijnan Vidyalay was started in the year 2017 with a strength of 51 with only Nursery Section to begin with. It was a dream come true for all of us. There on there was no looking back and every year we started scaling up. This year we have added on class VIII and will be scaling up to class IX in the next academic year. I am happy to stand before you to read a brief report on the activities we conducted during this academic year in the Nursery as well as primary sections of this Vidyalay.

The academic year 2023- 2024 has been very purposeful and fruitful. The year witnessed many changes. Many noble ideas are brought in, whether it is in Academics, Co-Curricular activities, all aiming at improving the quality of education and bringing about all-round development among the students.

Staff: Our strength is our faculty, who form the strong pillars of our institution. It is their dedication, commitment, care, and affection that has enhanced the healthy learning environment in the school. We have at present 23 teaching and 10 non-teaching members on the staff.

Strength : The effective strength of the school at present is 473
Girls-232 Boys-241 .

Our parents: No school can function efficiently if parents and teachers do not act in partnership in the best interest of the children. Parents have every right to understand what is happening to their children in the school, and teachers have the responsibility to share that information without prejudice with the parents. Such communication, in the child's interest, is possible only with mutual trust between the parent and the teachers. I would like to appreciate the support our parents have always shown in all our endeavors.

- Parijnan Vidyalay celebrated Children's Day on 15th November 2023. The staff performed to entertain the students. Students enjoyed the day with lot of funfilled activities for them.

ACHIEVEMENTS: Competitions play a prominent role in motivating students to perform ,excel and offer a lot more reward than just winning prizes. Competitions offer a chance for participants to gain substantial experience, showcase skills, analyze and evaluate outcomes and uncover personal aptitude. Competitions also encourage students to adopt innovative techniques and develop their ideas and skills. Hence we encourage our students to participate in both interschool as well as school level competitions.

Vridhi P Shetty of class 3 has secured second place in Sub Junior at Avinya, The National level Dance competition organised by Bharatiya Nrithya kala Parishath which was held at Mysore on 25th June 2023.
